1. Minute Approval from 12/16/2025 Meeting
2. Open the floor to the public for discussion on Growth Area Boundaries
3. Review Current and Future Land Use Map changes and discuss any further edits that need to be made
 - Previous changes include splitting parcels to more closely match existing land use and existing split zoning patterns; fixing errors; and altering growth area parcels as requested by land owners at the December meeting
4. Next Steps
 - (ARRO) Changes to land use map and plan text based on discussion during this meeting
 - Make changes to growth area based on requests from landowners
 - Finalization of Draft Plan
5. Next Meeting
 - February 17th, 2026
