DRAFT ORDINANCE

CITY OF TANEYTOWN, MARYLAND

ORDINANCE NO. - 04 2026

AN ORDINANCE to amend Chapter 193, "Vehicles and Traffic," of the Code of the City of Taneytown to (i) prohibit the storage of certain commercial vehicles, trailers, and recreational vehicles on residential streets except for limited active loading/unloading; (ii) authorize immobilization (booting) and removal for violations; (iii) establish procedures for notice, release, and appeal; and (iv) provide for codification, severability, and an effective date.

WHEREAS

A. The Mayor and Council find that the long-term parking or storage of certain commercial vehicles, trailers used to transport equipment, and recreational vehicles on residential streets creates safety hazards, restricts travel lanes and sight distance, impedes emergency access, and negatively impacts traffic flow and neighborhood character; and

B. The Mayor and Council further find that reasonable time-limited loading and unloading is necessary for residents and businesses; and

C. The Mayor and Council desire to provide a clear, enforceable, and fair process, including notice and an opportunity to appeal.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the City of Taneytown, Maryland, as follows:

SECTION 1. Definitions

Chapter 193 is hereby amended by adding a new section to be codified as §193-15.1 to read as follows:

§193-15.1 Street Storage of Certain Vehicles; Immobilization and Removal

A. Definitions. For purposes of this section:

1. **Commercial vehicle** means any motor vehicle that is:
 - (a) registered as a commercial vehicle; or

- (b) owned or leased by a business and primarily used in the course of business; or
 - (c) designed or used to transport tools, equipment, merchandise, construction materials, or similar items, including vehicles with attached racks, liftgates, or permanent equipment boxes;
excluding passenger vehicles used for personal transportation.
2. **Trailer** means any towed vehicle, semi-trailer, equipment trailer, cargo trailer, utility trailer, or similar towed conveyance, including any trailer used to transport equipment, materials, or items.
 3. **Recreational vehicle (RV)** includes a motor home, camper, travel trailer, fifth wheel, pop-up camper, or similar vehicle designed for temporary living quarters.
 4. **Residential street** means any public street where the predominant abutting land use is residential (single-family, townhouse, apartment, or similar), as determined by the enforcing officer based on the immediate block face.
 5. **Active loading/unloading** means the continuous, observable transfer of persons or property between a structure/lot and the vehicle or trailer. “Active loading/unloading” does not include leaving a vehicle parked while work occurs elsewhere, staging, resting, waiting, or intermittent activity.
 6. **Immobilization device** means a wheel clamp or similar device (“boot”) installed by or under the authority of the City to prevent vehicle movement.
-

SECTION 2. Prohibited Street Storage; 30-Minute Exception

B. Prohibited street storage.

1. **General rule.** No person shall park, stand, or store a commercial vehicle, trailer, or recreational vehicle on any residential street for longer than 30 minutes, except while active loading/unloading is occurring.
 2. **Loading/unloading limit.** The active loading/unloading exception is limited to 30 minutes total unless a longer period is expressly authorized by the Chief of Police (or designee) due to documented necessity.
 3. **No activity, must remove.** If active loading/unloading is not occurring, the vehicle or trailer must be removed from the residential street immediately upon notice from an enforcing officer.
 4. **Multiple-unit/complexes.** For multi-family or mixed residential areas, the officer may require that loading/unloading occur as close as practicable to the applicable entrance/loading area and may direct relocation to reduce interference with traffic and safety.
-

SECTION 3. Obstruction and Hazard; Tow Authority

C. Obstruction and hazard.

1. **Immediate hazard.** If any vehicle or trailer is parked or positioned so as to obstruct a travel lane, restrict sight distance, block a driveway or intersection approach, impede emergency access, or otherwise create an immediate traffic hazard, the enforcing officer may order the vehicle moved immediately.
2. **Towing.** If the vehicle is not promptly moved, the City may cause the vehicle to be towed and stored at the owner's expense, consistent with applicable law and other provisions of Chapter 193.

(Note: This keeps "booting" focused on storage violations and allows faster clearance when something is truly in the way.)

SECTION 4. Authority to Boot for Storage Violations

D. Immobilization (booting) for storage violations.

1. **Boot authorization.** When an enforcing officer has reasonable cause to believe a vehicle or trailer is in violation of §193-15.1B, the City may install an immobilization device.
 2. **Notice.** At the time of immobilization, the City shall affix a conspicuous notice to the vehicle or trailer stating:
 - the reason for immobilization;
 - the date/time immobilized;
 - the steps required for release;
 - the applicable fees;
 - the method to request an administrative hearing;
 - a City contact telephone number and hours.
 3. **Release upon payment.** The immobilization device shall be removed upon payment in full of all applicable immobilization fees adopted by resolution, plus any related citations lawfully issued.
 4. **Additional enforcement.** Immobilization does not preclude issuance of citations and does not limit the City's authority to tow when authorized.
 5. **Removal after time.** If a vehicle or trailer remains immobilized for more than 72 hours, the City may cause it to be towed and stored at the owner's expense in addition to immobilization fees, unless a hearing request is pending and the vehicle is not creating a hazard.
-

SECTION 5. Fees Adopted by Resolution

E. Fees. The Mayor and Council shall set immobilization fees by resolution. Fees may include:

1. a one-time immobilization/removal fee; and
 2. a daily immobilization fee accruing after immobilization.
-
-

SECTION 6. Exemptions

G. Exemptions. This section does not apply to:

1. police, fire, ambulance, and other emergency vehicles;
 2. City vehicles and vehicles under contract to the City while actively performing City work;
 3. utility vehicles actively responding to outages/emergencies;
 4. vehicles or trailers specifically authorized by a temporary right-of-way permit or written authorization from the City.
-

SECTION 7. Tampering

H. Tampering prohibited. No person shall remove, damage, or tamper with an immobilization device installed under this section. Violations are subject to citation and any other lawful penalties.

SECTION 8. Conforming Amendments to Existing Sections

A. Amend §193-1 (Weight Limits)

4. Civil Nature of Violations

§ C-202. Qualifications.

Add the following new paragraph at the end of § C-202:

Term Limits. No person shall be eligible for election to the office of Councilperson who has previously served as a Councilperson for three (3) full terms (i.e., twelve (12) years) in the aggregate. Service as a Councilperson includes service by election or appointment to fill a vacancy. Service of more than two (2) years of an unexpired term shall be counted as a full term for purposes of this limitation.

Section 3. Vacancy appointment override when no eligible candidate is available — Amend § C-519.

A. Amend § C-519(A).

In § C-519(A), after the sentence:

“The Council shall then elect some qualified person to fill the vacancy on the Council for the remainder of the unexpired term.”

add the following sentence:

Notwithstanding any term-limit restriction in this Charter, if the Council determines that no eligible candidate is available to fill the vacancy (meaning no person is both qualified under the Charter and not disqualified by the term limits), the Council may appoint a qualified person without regard to the term limits to serve for the remainder of the unexpired term. The Council’s determination shall be made by motion and recorded in the minutes.

B. Amend § C-519(B)(1).

In § C-519(B)(1), after the sentence:

“In case of a vacancy on the Council for any reason, the Council shall appoint some qualified person to fill such vacancy for the remainder of the unexpired term.”

add the following sentence:

Notwithstanding any term-limit restriction in this Charter, if the Council determines that no eligible candidate is available to fill the vacancy (meaning no person is both qualified under the Charter and not disqualified by the term limits), the Council may appoint a qualified person without regard to the term limits to serve for the remainder of the unexpired term. The Council's determination shall be made by motion and recorded in the minutes.

Section 4. Effective date; applicability beginning with the May 2027 election.

This Charter Resolution shall take effect on the date provided by the Charter and applicable Maryland law governing charter amendments.

Applicability. Notwithstanding the effective date stated above, the term-limit eligibility provisions adopted by Sections 1 and 2 of this Charter Resolution (and the related vacancy-fill language in Section 3) shall apply to candidacies filed for, and to any regular municipal election held on, the first Monday in May 2027, and to all regular or special municipal elections thereafter. CHARTER RESOLUTION NO. CR2026 - 02

A CHARTER RESOLUTION TO AMEND § C-519 (“REMOVAL FROM OFFICE”) TO (I) LIMIT COUNCIL REMOVAL TO POST-CENSURE, DUTY-RELATED, FINAL CRIMINAL CONVICTIONS AND (II) AUTHORIZE RECALL BY PETITION WITHOUT CENSURE WITH A 25% SIGNATURE THRESHOLD

WHEREAS, § C-519 currently authorizes the City Council to remove an elected official for “Just Cause” by majority vote after written charges and a public hearing; and provides that such action is not subject to the Mayor’s veto power, but the Mayor may vote to break a tie;

WHEREAS, § C-519 currently authorizes recall only after censure, requires the recall petition to set forth the Act of Censure, and requires signatures equal to not less than twenty percent (20%) of the qualified registered voters of the City;

WHEREAS, the Mayor and Council desire to (a) retain Council removal authority but narrowly limit it to situations involving a duty-related criminal conviction that is final after direct appeal and that occurs following censure, and (b) preserve the voters’ ability to pursue recall without any censure prerequisite while increasing the petition threshold to twenty-five percent (25%);

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF TANEYTOWN, MARYLAND, that the Charter is hereby amended as follows:

Section 1. Amendment of § C-519(B) (Council removal standard and procedure).

§ C-519(B) is amended by deleting the existing subsection and replacing it with the following:

“B. Council Removal Following Censure and Duty-Related Final Criminal Conviction.

(1) **Standard.** An elected official may be removed from office by a majority vote of the City Council only if:

- (a) the Mayor and Council have adopted an Act of Censure against the elected official; and
- (b) the elected official has been convicted, by a judge or a jury, of a crime arising out of or directly related to the official’s duties or actions taken in an official capacity; and
- (c) the conviction is final, meaning the time for filing any direct appeal has expired or any direct appeal has been finally resolved and the conviction has been affirmed.

(2) **Charges and Hearing.** Removal under this subsection shall occur only after the Council issues a written charge or charges identifying the Act of Censure and the conviction and holds a public hearing on the matter.

(3) **Veto/Tie Vote.** Such action is not subject to the veto power of the Mayor, but the Mayor may vote to break a tie.

(4) **Limitation.** No elected official may be removed by the City Council except as expressly provided in this subsection.”

Section 2. Amendment of § C-519(C) and § C-519(C)(1)(c) (Recall; remove censure prerequisite; raise threshold to 25%).

A. Amend the opening sentence of § C-519(C) to remove the censure precondition.

§ C-519(C) is amended as follows:

“C. Recall. Any elected official, may be petitioned for recall and removed from office for any reason by the qualified voters of the City of Taneytown, in accordance with the following provisions.”

B. Amend § C-519(C)(1)(c) to remove “Act of Censure” petition content and increase the signature threshold.

§ C-519(C)(1)(c) is amended as follows:

“(c) A Recall Petition shall: (1) identify the elected official whose recall is sought and the office held; (2) contain any additional reasoning for Recall; (3) shall be signed by not less than (25%) twenty-five percent of the qualified registered voters of the City; and (4) shall request a Recall Election to be held for said office holder.”

Section 3. No other changes.

Except as expressly amended by this Charter Resolution, all remaining provisions of § C-519 shall remain in full force and effect, including the remaining recall procedures and recall election provisions.

Section 4. Severability.

If any provision of this Charter Resolution or its application is held invalid, the invalidity does not affect other provisions or applications that can be given effect without the invalid provision or application.

Section 5. Effective date.

This Charter Resolution shall take effect as provided by applicable law.
